Golf Tournament Sponsorship Form "2011"

Coventry Girls Softball League Has a long tradition of providing opportunities for girls to participate in sports at local, state and national levels. We have over 500 hundred girls registered to play recreational slow pith and fast pitch softball this year! CGSL is a volunteer organization made up of a core group of dedicated adults and parents who enjoy seeing the girls get out on the field , learn the game and have FUN!

We "Thank You" for your support and participation in our efforts to the completion of our complex. Two out the four regulation fields are being played on this season. The picture below shows the start of the concession stand being built. The money collected from this tournament will all go towards the materials to finish this complex for the girls! Please feel free to look at picture's on our website: <http://coventrysoftball.com> Your sponsorship is invaluable to each and every one involved in Coventry Girls Softball League!
