

## Fields of Dreams Campaign

The Coventry Girls Softball league is in the process of constructing four softball fields at the corner of Phillips Hill Road and Harkney Hill Road in Coventry. The property has been cleared, stumped and grubbed and we have moved over 60,000 yards of fill to bring the fields to sub grade. Two fields were loamed and seeded in the fall and we need to raise funds to erect fencing and dugouts by the Spring. We are looking to businesses located in Coventry or doing business in Coventry for financial assistance or in-kind contributions.

The Coventry Girls Softball League has been in existence for thirty-four years with close to 500 girls playing in four divisions. We are one of the last slow pitch leagues remaining and our focus is on inclusion and recreation. With the move from town fields to our own complex, we will be expanding our league to include girls from neighboring towns. We are a 501(c)(3) non-profit corporation and have been designated by the IRS as a 509 (a)(2) public charity. (FEIN 05-0488903)

Our corporate sponsorship program is as follows:

**Grand Slam** - \$50,000: Naming rights for one of the four fields and permanent advertising signs for the life of the complex. All programs, tournament publications, etc will use the corporate name when referring to the field.

**Home Run** - \$10,000: Permanent advertising signs 4'x8' on all four fields and recognition on the Donor Board at the entrance to the complex.

**Triple Play** - \$5,000: Permanent advertising signs (4' x 8') on two fields and recognition on the Donor Board at the entrance to the complex.

**Double Play** - \$1,000: Permanent advertising signs (4' 8') on one field and recognition on the Donor Board at the entrance to the complex.
